SUMMER IS OFFICIALLY HERE!

Hope you've been enjoying it with good beer when the time is right. We've had our share of hot days in the brewery, but the last several have been quite pleasant. We've been hustling to prepare for the July 4th holiday weekend -- always a good time for beer. Now we're going to relax a little and enjoy the holiday at the...

O'FALLON HERITAGE AND FREEDOM FESTIVAL!

Featuring national music acts, rides, food and O'Fallon's own local brew, this is an awesome celebration. Go to <http://www.heritageandfreedomfest.com/> for details about the parade, the concerts, fireworks, scheduling, parking, etc. Once you get to the park, look for the O'Fallon Gold beer truck!

O'FALLON JAYCEES SEEK BEER JOCKIES THIS WEEKEND

The O'Fallon Jaycees are looking for volunteers to pour O'Fallon Brewery beer Friday and Saturday evening at the O'Fallon Heritage and Freedom Festival. They'll be serving O'Fallon Gold, O'Fallon Wheat and O'Fallon Wheach to thirsty fair-goers and concert listeners. Last year they were rocked by the sheer number of real beer lovers and are hoping we can provide some help serving them this year. Benefits include undying gratitude from the Jaycees, a great view of the fireworks and perhaps a free beer or two. Call/email me at the brewery (636-474-2337 or fran@ofallonbrewery.com) to let me when you'd like to volunteer.

CONGRATULATIONS TO OUR NEWLYWED BREWER!

O'Fallon brewer and Seibel grad Stu Burkemper married Kristen Neuner on June 6 in O'Fallon. In addition to a joyful ceremony and fun-filled reception, wedding guests were treated to the world's best wedding sermon. Father Joe from Assumption Catholic Church cracked open an O'Fallon Gold and poured it into a beer mug before he uttered the first word. Needless to say, those of us in attendance were spellbound! He went on to discuss in some detail the intricacies of brewing beer and compared the process to building a strong marriage. It was awesome. All of us here wish Stu and Kristen the very best.

HAVE A GREAT HOLIDAY -- Enjoy a good beer and let's all work together to make the world a better place one beer at a time.
